About me

Results-driven Web Developer with 6+ years of experience in Web Development, WordPress, Drupal, and Digital Marketing. Skilled in building responsive websites, SEO optimization, Google Ads, GA4, GTM, and enterprise web solutions.

Experience

Senior Web Developer — Jun 2023 – Present

ETAG Software Solutions

Develop and maintain enterprise-level Drupal and WordPress websites while ensuring high performance, security, and scalability. Manage Acquia Cloud environments, Git deployments, Composer workflows, and AWS services. Collaborate with cross-functional teams to deliver optimized digital solutions and enhance user experience.

Web Developer — Sep 2022 – May 2023

Regalix India Pvt Ltd

Provided technical support and implementation services for Google Ads, Google Analytics, and Google Tag Manager. Developed custom JavaScript solutions for conversion tracking, enhanced campaign performance, and ensured accurate data collection to support business growth and marketing objectives.

Software Engineer — Mar 2020 – Aug 2022

REQS Technologies Pvt Ltd

Designed and developed responsive WordPress websites with a focus on performance, usability, and SEO best practices. Customized themes and plugins, maintained client websites, and delivered scalable web solutions that improved functionality, user engagement, and overall website effectiveness.
